ARTICLE II

PURCHASE AND SALE OF SHARES

Section 2.1 Purchase and Sale.

On the terms of this Agreement, at the Closing each Seller shall sell and transfer to Buyer, and Buyer shall purchase from each Seller, all of such Seller's right, title, and interest in the Shares owned by such Seller, free and clear of all Liens, in exchange for the consideration in Article III. Following the Closing, Buyer shall own one hundred percent (100%) of the Company.

Section 2.2 Allocation of Shares Sold.

The Shares to be sold by each Seller, and the allocation of the Stock Consideration and Earnout among the Sellers, shall be as set forth on Schedule 2.2 (the "Allocation Schedule").

Section 2.3 Withholding.

Buyer may deduct and withhold from any amounts payable under this Agreement such amounts as are required to be withheld under the Code or any other applicable Tax Law. Amounts so withheld and paid to the appropriate Governmental Authority shall be treated as paid to the Person otherwise entitled to receive them.

ARTICLE III

PURCHASE PRICE AND PAYMENT

Section 3.1 Purchase Price.

In consideration of the sale of the Shares, Buyer shall pay the Purchase Price, consisting of:

(a) *Stock Consideration.*

At the Closing, Buyer shall issue to the Sellers an aggregate of three hundred thousand (300,000) shares of common stock of Buyer (the “Stock Consideration”), allocated as set forth on the Allocation Schedule. The Stock Consideration shall be issued in book-entry form via Buyer’s transfer agent, registered in the names of the Sellers (or, at a Seller’s election, in the name of a nominee or trust controlled by such Seller and reasonably acceptable to Buyer).

The Stock Consideration shall be issued without registration under the Securities Act in reliance on Section 4(a) (2) of the Securities Act and Rule 506(b) of Regulation D, and shall constitute “restricted securities” within the meaning of Rule 144. The book-entry positions evidencing the Stock Consideration shall bear the legend in Section 12.4.

During the Lock-Up Period, no Seller shall, without Buyer’s prior written consent, sell, transfer, pledge, hypothecate, encumber, or otherwise dispose of, or enter into any swap or similar arrangement transferring the economic interest in, any shares of Stock Consideration.

(b) *Earnout.*

As additional consideration, the Sellers shall be entitled to the Earnout, calculated and payable in accordance with Article XIII.

Section 3.2 Allocation of Purchase Price for Tax Purposes.

Within ninety (90) days after the Closing Date, the Parties shall in good faith agree on an allocation of the Purchase Price among the Shares (and any items deemed transferred for U.S. federal income tax purposes) consistent with applicable Law. Each Party shall report the transactions consistently with such allocation for Tax purposes and shall reasonably cooperate with the other in such reporting.

Section 3.3 Adjustment for Stock Splits and Similar Events.

If, after the Effective Date and prior to issuance of the Stock Consideration, Buyer effects a stock split, reverse split, stock dividend, recapitalization, or similar event affecting its common stock, the number of shares constituting the Stock Consideration shall be equitably adjusted to preserve the Sellers’ economic interest.

Section 3.4 Consulting Compensation (Separate from Purchase Price).

The cash compensation described in this Section 3.4 (the “Consulting Compensation”) is paid to the Sellers as compensation for personal services during the Transition Period, and is not consideration for the Shares or part of the Purchase Price. The Consulting Compensation shall be governed by, and paid in accordance with, the Consulting Agreements. In the event of any conflict between this Section 3.4 and the applicable Consulting Agreement, the Consulting Agreement shall control.

Buyer shall pay to the Sellers aggregate Consulting Compensation of Two Hundred Fifty Thousand Dollars (\$250,000), payable in equal monthly installments of approximately Ten Thousand Five Hundred Dollars (\$10,500) over twenty-four (24) months following the Closing Date, allocated as set forth in the Consulting Agreements. Each installment shall be paid by the fifteenth (15th) day of the month following the month to which it relates, by wire transfer of immediately available funds to the Seller’s designated account. The first installment shall be payable for the first full calendar month following the Closing Date.

The Sellers acknowledge that the Consulting Compensation shall be reported as ordinary compensation income (and, where applicable, self-employment income) for federal and state Tax purposes, not as proceeds from the sale of the Shares. The Parties shall report the Consulting Compensation consistently with this characterization.

ARTICLE IV

CLOSING

Section 4.1 Time and Place of Closing; Target Closing Date; Effective Time.

(a) Subject to satisfaction or waiver of the conditions in Article VIII (other than those to be satisfied at the Closing), the Closing shall take place remotely by exchange of documents via electronic transmission. The Parties shall use commercially reasonable efforts to cause the Closing Date to occur on or before May 31, 2026 (the “Target Closing Date”).

(b) Although legal title to the Shares passes to Buyer at the Closing, the Acquisition shall be deemed effective economically and operationally as of 12:00 a.m. Pacific Time on June 1, 2026 (the “Effective Time”). From and after the Effective Time, (i) Buyer shall own one hundred percent (100%) of the Company, (ii) Buyer shall be responsible for operation of the Business, and (iii) financial responsibility shall pass to Buyer in accordance with Sections 4.4, 4.5, and 4.6.

(c) If the Closing Date occurs after May 31, 2026, the Parties shall in good faith determine whether to (i) keep June 1, 2026 as the Effective Time (with appropriate true-up for the period between May 31 and the Closing Date), or (ii) reset the Effective Time to the day after the actual Closing Date. Absent written agreement, the Effective Time shall be the day after the Closing Date.

Section 4.2 Sellers’ Closing Deliverables.

At the Closing, the Sellers shall deliver to Buyer:

- (a) stock certificates (if any) representing the Shares, duly endorsed in blank or with stock powers executed in blank, or evidence of book-entry transfer to Buyer;
- (b) resignations, effective at the Closing, of each director and officer of the Company designated by Buyer at least three (3) Business Days prior, in a form acceptable to Buyer;
- (c) a Secretary’s certificate of the Company certifying (i) the certificate of incorporation and bylaws, (ii) board and shareholder resolutions authorizing this Agreement and the Ancillary Agreements, and (iii) incumbency of officers signing this Agreement and the Ancillary Agreements;

- (e) the Consulting Agreement, in form reasonably acceptable to Buyer, executed by each Seller (each, a “Consulting Agreement”);
- (f) the Restrictive Covenant Agreement (containing non-competition, non-solicitation, and confidentiality covenants), in form reasonably acceptable to Buyer, executed by each Seller;
- (g) an executed IRS Form W-9 (or W-8, if applicable) from each Seller;
- (h) a non-foreign affidavit from each Seller under Code Section 1445(b)(2);

- (i) evidence reasonably satisfactory to Buyer of release of all Liens on the Shares and on the Company's assets (other than Permitted Liens identified on Schedule 5.7);
- (j) the certificate required by Section 8.2(c) (Sellers' Bring-Down Certificate);
- (k) the Pre-Cut-Off Statement (as defined in Section 4.6), executed by the Sellers; and
- (l) such other documents as Buyer may reasonably request to consummate the Acquisition.

Section 4.3 Buyer's Closing Deliverables.

At the Closing, Buyer shall deliver to the Sellers:

- (a) evidence of issuance of the Stock Consideration to the Sellers in accordance with Section 3.1(a) and the Allocation Schedule, including a confirmation from Buyer's transfer agent;
- (b) the Consulting Agreement, executed by Buyer, with respect to each Seller;
- (c) a Secretary's certificate of Buyer certifying (i) board resolutions authorizing this Agreement, the Ancillary Agreements, and the issuance of the Stock Consideration, and (ii) incumbency of officers signing this Agreement and the Ancillary Agreements;

- (e) the certificate required by Section 8.3(c) (Buyer's Bring-Down Certificate); and
- (f) such other documents as the Sellers may reasonably request to consummate the Acquisition.

Section 4.4 Operational Transfer at the Effective Time.

- (a) From the Effective Time, Buyer (or, at Buyer's direction, the Company under Buyer's ownership) shall be solely responsible for the management and operation of the Business. The Sellers shall, at or before the Effective Time, take such reasonable actions and execute such documents as Buyer may reasonably request to facilitate the orderly transfer of operational control, including transfer of signing authority, system access, and authority over employee and vendor matters.
- (b) From the Effective Time, no Seller shall hold itself out as authorized to bind the Company or the Business, except (i) as expressly contemplated by such Seller's Consulting Agreement or (ii) as authorized in writing by Buyer.
- (c) From the Effective Time and through completion of the activities described in Section 4.6, the Sellers shall provide reasonable assistance, at Buyer's reasonable request, to facilitate the operational, financial, and administrative transition, consistent with their Consulting Agreements and Article XIV.

Section 4.5 Banking Arrangements; New Operating Accounts.

- (a) Before the Effective Time, Buyer shall use commercially reasonable efforts to cause the Company to open new operating bank accounts at Open Bank and Hanmi Bank (the "New Operating Accounts"), to be the principal operating, payroll, and treasury accounts of the Business from the Effective Time. Buyer shall designate the authorized signatories. The Sellers shall not be authorized signatories on, or have access to, the New Operating Accounts (except as required by their Consulting Agreements).

(b) Within thirty (30) days after the Effective Time, the Parties shall transition the Company's ordinary-course revenue, payroll, and operating cash flows to the New Operating Accounts; close, restrict, or transfer signing authority on, pre-existing operating accounts no longer needed; and update vendor, customer, regulator, warehouse lender, and investor records.

(c) Custodial accounts, escrow accounts, and Warehouse Line collateral accounts may remain open as needed to settle Pre-Cut-Off Period transactions and Pipeline Loans. The Sellers shall reasonably cooperate to maintain such accounts in good order until all such matters have been settled.

(d) The Sellers shall provide such information and certifications as the Operating Banks may reasonably require under applicable banking, KYC, and AML rules in connection with the New Operating Accounts and the change of beneficial ownership of the Company.

Section 4.6 CPA-Led Financial Transition: Cut-Off Allocation: Pipeline Loan Reconciliation.

(a) *Engagement of Transition CPA.*

Buyer shall, at its own expense, engage an independent certified public accounting firm (the "Transition CPA") promptly after the Effective Date to (i) assist with the transition of the Company's financial records, (ii) prepare the Pre-Cut-Off Statement and the Pipeline Reconciliation, and (iii) provide other transition-accounting services Buyer may reasonably request. The Sellers shall fully cooperate with the Transition CPA, including providing reasonable access to books, records, accounting systems, bank statements, vendor and payroll records, loan-pipeline data, and personnel.

(b) *Cut-Off Allocation of Costs, Expenses, Revenues, and Liabilities.*

As between the Sellers and Buyer, regardless of when an invoice is rendered or payment made:

- (i) all costs, expenses, liabilities, and obligations arising from facts or activities during the Pre-Cut-Off Period (including rent, utilities, payroll and commissions, payroll taxes, vendor invoices, professional fees, license and regulatory fees, insurance premiums, and software/subscription fees) are the responsibility of the Sellers (the "Pre-Cut-Off Liabilities");
- (ii) all such costs and obligations arising from facts or activities during the Post-Cut-Off Period are the responsibility of Buyer (the "Post-Cut-Off Liabilities");
- (iii) revenues earned for services rendered during the Pre-Cut-Off Period (including loan-funding and origination fees on loans funded before the Cut-Off Time) inure to the Sellers, subject to the netting in subsection (e); and
- (iv) revenues earned for services rendered during the Post-Cut-Off Period inure to Buyer.

Items that straddle the Cut-Off Time (such as monthly rent, utilities, and subscription fees) shall be prorated daily.

(c) *Late-Arriving Pre-Cut-Off Bills.*

If the Company or Buyer receives, after the Effective Time, an invoice or demand for any unpaid Pre-Cut-Off Liability (a "Late-Arriving Pre-Cut-Off Bill"), Buyer shall promptly forward it to the Sellers. The Sellers shall, within fifteen (15) Business Days (or sooner if needed to avoid late fees, default interest, service interruption, or harm to the Business), either pay the bill directly or, at Buyer's election, reimburse the Company for any amount it pays (together with reasonable late fees or default interest, except to the extent caused by Buyer's delay in forwarding). Buyer may exercise its setoff right under Section 9.5 in respect of any unpaid amount under this Section 4.6(c).

(d) Pre-Cut-Off Statement.

At least three (3) Business Days before the Closing Date, the Sellers shall deliver to Buyer a written statement (the “Pre-Cut-Off Statement”), prepared with the Transition CPA, setting forth in reasonable detail (i) the Sellers’ good-faith estimate of all Pre-Cut-Off Liabilities (including those expected to come due after the Closing), (ii) all Pipeline Loans as of the Cut-Off Time (with status, funded amount, lock expiration, and warehouse-line allocation), and (iii) all Indebtedness, accrued payroll, accrued commissions, and accrued expenses as of the Cut-Off Time. The Pre-Cut-Off Statement is the baseline for the Pipeline Reconciliation in subsection (e).

(e) Pipeline Loan Reconciliation; Asset / Warehouse-Line Balance.

The Parties acknowledge that Pipeline Loans are dynamic, with funded principal (assets) and Warehouse Line borrowings (liabilities) fluctuating in the ordinary course as loans are funded, sold, and replaced. Accordingly:

- (i) Within sixty (60) days after the Effective Time, the Transition CPA shall deliver to Buyer and the Sellers a written reconciliation (the “Pipeline Reconciliation”) of (A) the funded principal of all Pipeline Loans at the Cut-Off Time, (B) Warehouse Line borrowings at the Cut-Off Time secured by or allocable to those loans, and (C) the resulting net asset/liability balance (the “Pipeline Net Position”). The Transition CPA shall calculate the Pipeline Net Position with the goal that the Company’s Pipeline Loan assets are reasonably balanced against the related Warehouse Line indebtedness, consistent with past ordinary-course practice.
- (ii) Within thirty (30) days after delivery, each of Buyer and the Sellers shall confirm in writing its agreement or specific objections. If neither objects, the Pipeline Reconciliation is final. If a Party objects, the Parties shall negotiate in good faith for thirty (30) days; unresolved items shall be submitted to a mutually agreed second independent accounting firm (the “Independent Accountant”) for binding resolution, the cost of which shall be borne equally.
- (iii) If the final Pipeline Reconciliation shows a material imbalance between Pipeline Loan assets and the related Warehouse Line liabilities relative to past ordinary-course practice (a “Pipeline Imbalance”), the Parties shall make a true-up payment (in either direction) within fifteen (15) Business Days of the final determination. This true-up addresses Cut-Off Time imbalances only, not operating performance.
- (iv) Between the Effective Date and the Cut-Off Time, the Parties shall manage Pipeline Loans and Warehouse Line borrowings consistent with past ordinary-course practice, and shall not artificially build them up, draw them down, or skew them.

(f) Cooperation; Records.

Each Party shall (i) preserve, in accordance with its record-retention practices and applicable Law, all books and records relating to the Pre-Cut-Off Period, (ii) provide the other Party (and its representatives, including the Transition CPA and any Independent Accountant) reasonable access to such records, and (iii) cooperate in good faith on the Pre-Cut-Off Statement, the Pipeline Reconciliation, and any related true-up. This Section 4.6 survives the Closing.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF SELLERS AND THE COMPANY

Subject to the disclosures set forth in the disclosure schedule delivered by the Sellers to Buyer concurrently with the execution of this Agreement (the “Disclosure Schedule”), the Sellers and the Company, jointly and severally, represent and warrant to Buyer, as of the Effective Date and as of the Closing Date, as follows:

Section 5.1 Organization, Standing, and Power.

The Company is a Texas corporation, duly organized, validly existing, and in good standing under the laws of Texas. The Company has the corporate power and authority to own, lease, and operate its properties and to carry on the Business as currently conducted. The Company is duly qualified to do business as a foreign entity in each jurisdiction where such qualification is required, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect. Schedule 5.1 lists all jurisdictions in which the Company is qualified to do business as a foreign entity.

Section 5.2 Authority; Enforceability.

Each Seller has full legal capacity, power, and authority to execute and deliver this Agreement and the Ancillary Agreements to which such Seller is a party and to consummate the transactions contemplated hereby and thereby. The Company has all requisite corporate power and authority to execute and deliver this Agreement and the Ancillary Agreements to which it is a party and to consummate the transactions contemplated hereby and thereby. The execution, delivery, and performance of this Agreement and the Ancillary Agreements by the Company have been duly authorized by all necessary corporate action on the part of the Company and its shareholders. This Agreement has been executed and delivered by each Seller and the Company and (assuming due authorization, execution, and delivery by Buyer) constitutes a legal, valid, and binding obligation of each Seller and the Company, enforceable against each of them in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting creditors’ rights generally and by general principles of equity.

Section 5.3 Capitalization; Title to Shares.

(a) The authorized capital stock of the Company consists solely of the shares set forth on Schedule 5.3, of which the number of issued and outstanding shares set forth on Schedule 5.3 are issued and outstanding. All of the Shares have been duly authorized, are validly issued, fully paid, and non-assessable, and were issued in compliance with all applicable Laws (including federal and state securities laws) and the Company’s organizational documents. There are no outstanding options, warrants, convertible securities, subscriptions, calls, rights, or other agreements obligating the Company to issue, sell, or transfer any equity interest in the Company.

(b) Jun Choi and Richard Tak collectively own, beneficially and of record, one hundred percent (100%) of the issued and outstanding Shares, free and clear of all Liens. Schedule 5.3 sets forth the exact number of Shares owned by each Seller. The execution, delivery, and performance of this Agreement and the Ancillary Agreements by Buyer have been duly authorized by all necessary corporate action on the part of Buyer (including approval by the board of directors of Buyer to the extent required). This Agreement has been executed and delivered by Buyer and (assuming due authorization, execution, and delivery by the Sellers and the Company) constitutes a legal, valid, and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, or similar Laws affecting creditors' rights generally and by general principles of equity.

Section 6.3 No Conflicts; Consents.

The execution, delivery, and performance by Buyer of this Agreement and the Ancillary Agreements, and the consummation of the transactions contemplated hereby and thereby, do not and will not (i) violate the organizational documents of Buyer, (ii) violate any Law or Order applicable to Buyer, or (iii) result in a breach of, or constitute a default under, any material contract to which Buyer is a party, except, in the case of clause (iii), as would not reasonably be expected to materially impair Buyer's ability to consummate the transactions contemplated hereby. Except for filings required to be made by Buyer under the Securities Act, the Exchange Act, applicable state securities Laws, and the rules of any applicable stock exchange or quotation system, no consent, approval, authorization, or filing with any Governmental Authority is required to be obtained or made by Buyer in connection with the execution, delivery, and performance of this Agreement or the consummation of the transactions contemplated hereby.

As of their respective filing dates (or, if amended or superseded by a subsequent filing prior to the Effective Date, on the date of such amendment or superseding filing), the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable, and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Section 6.6 Litigation.

There is no action, suit, proceeding, claim, arbitration, or investigation pending or, to the actual knowledge of Buyer, threatened against Buyer that seeks to enjoin, restrain, or prohibit the consummation of the transactions contemplated by this Agreement or that would reasonably be expected to materially impair Buyer’s ability to consummate the transactions contemplated hereby.

Section 6.7 Brokers.

No broker, finder, investment banker, or similar Person is entitled to any brokerage fee, finder’s fee, commission, or similar payment in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Buyer for which any Seller or the Company would be liable.

Section 7.7 Pre-Closing Debt Payoff: Debt-Free Closing.

From the Effective Date through the Closing, the Sellers shall, and shall cause the Company to, take all such actions as are necessary to ensure that, immediately prior to and as of the Closing, all Closing Debt has been fully paid off, satisfied, released, or discharged. - (a) **Representations and Warranties.** (i) The representations and warranties of the Sellers and the Company set forth in Sections 5.1 (Organization), 5.2 (Authority; Enforceability), 5.3 (Capitalization; Title to Shares), and 5.19 (Brokers) (collectively, the “Fundamental Representations”) shall be true and correct in all respects as of the Effective Date and as of the Closing Date as though made on the Closing Date; and (ii) all other representations and warranties of the Sellers and the Company set forth in this Agreement shall be true and correct (without giving effect to any qualifications as to materiality or Material Adverse Effect) as of the Effective Date and as of the Closing Date as though made on the Closing Date, except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, result in a Material Adverse Effect;
- (b) **Covenants.** The Sellers and the Company shall have performed in all material respects all covenants and agreements required to be performed by them under this Agreement at or prior to the Closing;
- (c) **Sellers’ Bring-Down Certificate.** Buyer shall have received a certificate, dated as of the Closing Date, executed by each Seller and a duly authorized officer of the Company, certifying that the conditions set forth in Sections 8.2(a) and 8.2(b) have been satisfied;
- (d) **No Material Adverse Effect.** Since the Effective Date, no Material Adverse Effect shall have occurred and be continuing;
- (e) **Closing Deliverables.** The Sellers shall have delivered, or caused to be delivered, to Buyer all of the items required to be delivered pursuant to Section 4.2;

- (f) **Due Diligence.** Buyer shall have completed, to its reasonable satisfaction, its financial, legal, regulatory, operational, and human capital due diligence with respect to the Company; provided that this condition shall be deemed satisfied unless Buyer notifies the Sellers in writing of unsatisfactory due diligence findings within sixty (60) days after the Effective Date or such other period as the Parties may agree;
- (g) **Resignation of Directors and Officers.** Buyer shall have received the written resignations of each director and officer of the Company designated by Buyer pursuant to Section 4.2(b);

- (i) **Loan Officer Continuity at Closing.** As of the Closing Date, no more than ten percent (10%) of the Loan Officers employed or engaged by the Company as of the Effective Date shall have terminated, or given written notice of intent to terminate, their employment or engagement;
- (j) **Key Personnel Retention.** Each individual identified as Key Personnel on Schedule 1.1(b) shall remain actively employed by or engaged as an independent contractor of the Company as of the Closing Date, shall not have given written notice of an intent to terminate his or her employment or engagement, and (to the extent identified by Buyer in writing prior to the Closing) shall have executed and delivered to Buyer a retention agreement, employment agreement, or independent contractor agreement on terms reasonably acceptable to Buyer;
- (k) **Financial Statements; No Material Adverse Change.** (i) The Sellers shall have delivered to Buyer (A) the Financial Statements, and (B) an unaudited balance sheet and income statement of the Company as of and for the most recent calendar month ended at least fifteen (15) days prior to the Closing Date (the “Pre-Closing Financial Statements”), in each case prepared in a manner consistent with past practice; (ii) such Financial Statements and Pre-Closing Financial Statements shall be reasonably satisfactory to Buyer; and (iii) since the date of the most recent balance sheet so delivered, no Material Adverse Effect shall have occurred and be continuing; and
- (l) **Lien Releases.** The Sellers shall have delivered to Buyer evidence reasonably satisfactory to Buyer of the release of all Liens on the Shares and on the assets of the Company (other than Permitted Liens).

Section 8.3 Conditions to Obligations of the Sellers.

The obligations of the Sellers to consummate the transactions contemplated by this Agreement shall be subject to the satisfaction (or waiver in writing by the Sellers) at or prior to the Closing of each of the following conditions:

- (a) **Representations and Warranties.** The representations and warranties of Buyer set forth in this Agreement shall be true and correct in all material respects as of the Effective Date and as of the Closing Date as though made on the Closing Date;
- (b) **Covenants.** Buyer shall have performed in all material respects all covenants and agreements required to be performed by Buyer under this Agreement at or prior to the Closing;
- (c) **Buyer’s Bring-Down Certificate.** The Sellers shall have received a certificate, dated as of the Closing Date, executed by a duly authorized officer of Buyer, certifying that the conditions set forth in Sections 8.3(a) and 8.3(b) have been satisfied; and
- (d) **Closing Deliverables.** Buyer shall have delivered, or caused to be delivered, to the Sellers all of the items required to be delivered pursuant to Section 4.3.

ARTICLE IX

INDEMNIFICATION

Section 9.1 Survival.

(a) The representations and warranties of the Sellers and the Company contained in this Agreement shall survive the Closing for twenty-four (24) months following the Closing Date; provided, that (i) the Fundamental Representations and the representations and warranties in Section 5.12 (Taxes), Section 5.21 (No Debt; No Material Liabilities; No Material Litigation), and Section 5.22 (Disclosed EDD Matter) shall survive until sixty (60) days after the expiration of the applicable statute of limitations, and (ii) any representation or warranty in respect of which an indemnification claim has been delivered in writing prior to expiration of the applicable survival period shall continue solely with respect to such claim until finally resolved. (b) The covenants and agreements of the Sellers and the Company shall survive the Closing in accordance with their terms or, if no specified term, indefinitely. (c) The representations and warranties of Buyer shall not survive the Closing; covenants and agreements of Buyer shall survive in accordance with their terms.

Section 9.2 Indemnification by the Sellers.

From and after the Closing, subject to the limitations set forth in this Article IX, the Sellers, jointly and severally (other than with respect to breaches of representations or warranties made by an individual Seller solely with respect to such Seller, which shall be several and not joint), shall indemnify, defend, and hold harmless Buyer and its Affiliates and their respective Representatives (collectively, the “Buyer Indemnified Parties”) from and against all Losses incurred or suffered by any Buyer Indemnified Party arising out of or resulting from:

- (a) any breach of, or inaccuracy in, any representation or warranty of the Sellers or the Company contained in this Agreement or in any certificate delivered by the Sellers or the Company pursuant hereto;
- (b) any breach or non-fulfillment of any covenant or agreement of any Seller or the Company contained in this Agreement;
- (c) **Closing Debt and Undisclosed Indebtedness.** any Closing Debt that was not paid off in full at or prior to the Closing, and any Indebtedness of the Company that was outstanding as of the Closing and not expressly disclosed on Schedule 5.21(a) or Schedule 1.1(a);
- (d) **Pre-Closing and Pre-Cut-Off Liabilities.** (i) any liability or obligation of the Company (whether known or unknown, absolute, accrued, contingent, or otherwise) arising out of or relating to facts, events, conduct, or circumstances occurring or existing on or prior to the Closing Date, to the extent such liability or obligation is not (A) reflected or expressly reserved against in the most recent balance sheet included in the Financial Statements (or the Pre-Closing Financial Statements), or (B) incurred in the ordinary course of business consistent with past practice after the date of such balance sheet and not material in amount; and (ii) any Pre-Cut-Off Liability (as defined in Section 4.6(b)) that has not been paid by the Sellers on or prior to the Cut-Off Time and that is not otherwise reimbursed pursuant to Section 4.6(c);

- (e) **Legal, Regulatory, and Compliance Matters.** any Losses arising out of or relating to (i) any action, suit, proceeding, claim, arbitration, or investigation pending or threatened against the Company on or prior to the Closing Date (whether or not disclosed on the Disclosure Schedule), (ii) any violation by the Company of any Law (including any consumer-protection, fair-lending, mortgage-licensing, anti-money-laundering, data-privacy, or employment Law) on or prior to the Closing Date, (iii) any repurchase, indemnification, make-whole, early-payment-default, or similar obligation with respect to any loan originated, processed, underwritten, sold, or serviced by the Company on or prior to the Closing Date, and (iv) any claim by any consumer, borrower, regulator, investor, warehouse lender, or other counterparty relating to a residential mortgage loan originated, processed, underwritten, sold, or serviced by the Company on or prior to the Closing Date;
- (f) any Tax of the Company with respect to any Pre-Closing Tax Period (other than any Tax accrued as a current liability on the most recent balance sheet included in the Financial Statements);
- (g) any claim by any Person to be the holder of, or to have rights in or to, any equity interest in the Company immediately prior to the Closing other than the Sellers;
- (h) any matter set forth on Schedule 9.2(h) (Special Indemnity Matters), if any; and
- (i) **Disclosed EDD Matter — Historical Liability.** any EDD Resolution Amount payable in connection with the Disclosed EDD Matter (as defined in Section 5.22), and any direct out-of-pocket Loss incurred by a Buyer Indemnified Party that is directly attributable to facts or conduct giving rise to the Disclosed EDD Matter and that occurred on or prior to the Closing Date. For clarity, this clause (i) does not cover Buyer's or the Company's own legal, regulatory, advisory, or operating costs incurred in monitoring, disclosing, or otherwise responding to the Disclosed EDD Matter after the Closing, except to the extent those costs are part of an EDD Resolution Amount.

Section 9.3 **Limitations.**

(a) Deductible.

Except in the case of (i) breaches of Fundamental Representations, (ii) breaches of Section 5.12 (Taxes) or Section 5.21 (No Debt; No Material Liabilities; No Material Litigation), (iii) fraud or intentional misrepresentation, or (iv) Sections 9.2(b) through (i), the Sellers shall not be liable for any Losses indemnifiable under Section 9.2(a) until the aggregate amount of all such Losses exceeds Fifty Thousand Dollars (\$50,000) (the "Deductible"), at which point the Sellers shall be liable for all Losses in excess of the Deductible.

(b) Cap.

Except in the case of (i) breaches of Fundamental Representations, (ii) breaches of Section 5.12 (Taxes) or Section 5.21 (No Debt; No Material Liabilities; No Material Litigation), (iii) fraud or intentional misrepresentation, or (iv) indemnification claims under Sections 9.2(c) (Closing Debt and Undisclosed Indebtedness), 9.2(d) (Pre-Closing and Pre-Cut-Off Liabilities), or 9.2(e) (Legal, Regulatory, and Compliance Matters), the aggregate liability of the Sellers under Section 9.2(a) shall not exceed an amount equal to fifteen percent (15%) of the value of the Stock Consideration (calculated based on the volume-weighted average price of Buyer's common stock for the ten (10) trading days ending on the trading day immediately preceding the Closing Date) (the "Cap"). The aggregate liability of the Sellers under Section 9.2, other than for fraud or gross negligence, shall in no event exceed the aggregate Purchase Price actually received by the Sellers.

(c) EDD Sub-Cap.

Notwithstanding subsection (b), the aggregate liability of the Sellers under Section 9.2(i) (Disclosed EDD Matter — Historical Liability) shall not exceed twenty-five percent (25%) of the value of the Stock Consideration (calculated as in subsection (b)) (the “EDD Sub-Cap”), and is in addition to (and not part of) the Cap.

(d) Mitigation; Insurance and Tax Benefits.

The Buyer Indemnified Parties shall use commercially reasonable efforts to mitigate any Loss for which they seek indemnification. The amount of any Loss for which indemnification is provided under this Article IX shall be reduced by the amount of any insurance proceeds and any third-party recoveries actually received by the Buyer Indemnified Parties in respect of such Loss, net of any costs of recovery.

(e) No Duplication.

No Buyer Indemnified Party shall be entitled to duplicate recovery for the same Loss under this Agreement.

Section 9.4 Indemnification Procedures.

(a) Promptly after a Buyer Indemnified Party becomes aware of a claim for indemnification hereunder, such Buyer Indemnified Party shall deliver to the Sellers (in such capacity, the “Indemnifying Party”) a written notice describing in reasonable detail the facts giving rise to the claim and, to the extent then known, the amount of Losses claimed. The failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations except to the extent such Indemnifying Party is actually prejudiced thereby. (b) With respect to any third-party claim, the Indemnifying Party shall have the right to assume and control the defense of such claim with counsel reasonably acceptable to the Buyer Indemnified Party, provided that the Indemnifying Party acknowledges in writing its indemnification obligation in respect of such claim. The Buyer Indemnified Party shall reasonably cooperate in such defense. The Indemnifying Party shall not settle any third-party claim without the Buyer Indemnified Party’s prior written consent (not to be unreasonably withheld) unless such settlement involves only the payment of money damages that are fully indemnified by the Indemnifying Party and includes an unconditional release of the Buyer Indemnified Party.

Section 9.5 Right of Setoff.

Without limiting any other rights or remedies of any Buyer Indemnified Party, Buyer shall be entitled to set off any amount finally determined to be owed by any Seller to any Buyer Indemnified Party under this Article IX against any amount otherwise payable by Buyer to such Seller hereunder, including any unpaid Earnout and any unpaid Consulting Compensation. The exercise of such right of setoff in good faith shall not constitute a default by Buyer of this Agreement or any Consulting Agreement.

Section 9.6 Tax Treatment of Indemnification Payments.

The Parties shall treat any indemnification payment made under this Agreement as an adjustment to the Purchase Price for all Tax purposes, except as otherwise required by applicable Law.

Section 9.7 Exclusive Remedy.

Except (i) in the case of fraud, gross negligence, or intentional misrepresentation, (ii) for claims for specific performance, injunctive, or other equitable relief, and (iii) for claims under any Ancillary Agreement (which shall be governed by the terms thereof), the indemnification rights set forth in this Article IX shall constitute the sole and exclusive remedy of Buyer for monetary damages with respect to any breach of this Agreement by the Sellers or the Company following the Closing.

ARTICLE X

TERMINATION

Section 10.1 Termination Events.

This Agreement may be terminated before the Closing:

- (a) by mutual written consent of Buyer and the Sellers;
- (b) by Buyer or the Sellers, by written notice, if the Closing has not occurred by July 31, 2026 (the “Outside Date”); provided, that this right is not available to any Party whose breach is the principal cause of the failure to close. The Parties may extend the Outside Date by mutual written agreement;
- (c) by Buyer, by written notice, if any Seller or the Company has breached this Agreement in a manner that would cause a failure of any condition in Section 8.2, and such breach is not cured within thirty (30) days after Buyer’s notice (or, if earlier, the Outside Date);
- (d) by the Sellers, by written notice, if Buyer has breached this Agreement in a manner that would cause a failure of any condition in Section 8.3, and such breach is not cured within thirty (30) days after the Sellers’ notice (or, if earlier, the Outside Date); or
- (e) by either Buyer or the Sellers, by written notice, if a Governmental Authority issues a final, non-appealable Order permanently prohibiting the Acquisition.

Section 10.2 Effect of Termination.

On termination under Section 10.1, this Agreement becomes void with no liability, except that (i) Section 7.6 (Confidentiality; Public Announcements), this Article X, and Article XVI (General Provisions) survive, and (ii) no termination relieves any Party from liability for willful and material breach or fraud occurring prior to termination.

ARTICLE XI

RESTRICTIVE COVENANTS

Section 11.1 Acknowledgments.

Each Seller acknowledges that (i) Buyer is acquiring substantial goodwill of the Company and the Business in connection with the transactions contemplated by this Agreement, (ii) the covenants set forth in this Article XI are reasonable and necessary to protect the legitimate business interests of Buyer and the goodwill being acquired hereunder, and (iii) such covenants are an inducement to, and a material condition of, Buyer's willingness to enter into this Agreement and to pay the Purchase Price. The Parties intend that the covenants set forth in this Article XI be enforceable as covenants ancillary to the sale of the goodwill of the Company under California Business and Professions Code Section 16601 and any successor provision.

Section 11.2 Non-Competition.

During the Restricted Period, each Seller shall not, and shall cause its respective Affiliates not to, directly or indirectly, anywhere in the United States, engage in, own, manage, operate, control, finance, or participate in the ownership, management, operation, control, or financing of, or be employed by or render services to, any Person that competes with the Business as conducted by the Company on the Closing Date or as expanded by Buyer during the Restricted Period (a "Competing Business"); provided, that the foregoing shall not prohibit (i) any Seller's ownership of less than two percent (2%) of the outstanding equity securities of any publicly traded company, (ii) any Seller's employment by or engagement with Buyer or its Affiliates (including the Company), or (iii) post-employment activities expressly permitted by California Business and Professions Code Section 16601 or other applicable Law.

Section 11.3 Non-Solicitation of Employees.

During the Restricted Period, each Seller shall not, and shall cause its respective Affiliates not to, directly or indirectly, (a) solicit for employment or engagement, hire, or engage as an independent contractor, any individual who is, or who within the twelve (12) months prior thereto was, an employee, Loan Officer, or independent contractor of Buyer or any of its Affiliates (including the Company), or (b) induce or attempt to induce any such Person to terminate his or her employment or engagement with Buyer or any of its Affiliates; provided, that the foregoing shall not prohibit general solicitations not specifically directed at any such Person (including general advertisements and recruiting through search firms not directed at any such Person).

Section 11.4 Non-Solicitation of Customers.

During the Restricted Period, each Seller shall not, and shall cause its respective Affiliates not to, directly or indirectly, solicit, divert, or take away the business of any customer, referral source, real estate agent, broker, builder, or warehouse lender of Buyer or any of its Affiliates (including the Company) for the purpose of providing products or services that compete with the Business.

Section 11.5 Confidentiality.

From and after the Closing, each Seller shall, and shall cause its respective Affiliates and Representatives to, maintain the confidentiality of all non-public, proprietary, or confidential information regarding Buyer, the Company, the Business, and their respective Affiliates (including customer lists, pricing information, business plans, financial information, trade secrets, technology, and personally identifiable information) (collectively, “Confidential Information”), and shall not use or disclose any such Confidential Information for any purpose, except (i) as required by applicable Law (in which case the disclosing Seller shall, to the extent legally permitted, provide Buyer with reasonable advance notice of such required disclosure to enable Buyer to seek a protective order), or (ii) to the extent such information becomes generally known or available to the public other than as a result of a breach of this Section 11.5. The obligations of this Section 11.5 shall survive indefinitely.

Section 11.6 Non-Disparagement.

From and after the Closing, no Seller shall, and the Sellers shall cause their respective Affiliates not to, make any disparaging or defamatory statement, whether oral or written, regarding Buyer, the Company, the Business, or any of their respective Affiliates, directors, officers, or employees. Buyer shall instruct its directors and executive officers not to make any disparaging or defamatory statement regarding any Seller. Nothing in this Section 11.6 shall prohibit any Person from making truthful statements as required by Law or in connection with any legal proceeding.

Section 11.7 Equitable Relief; Reformation.

Each Seller acknowledges that any breach of this Article XI would cause Buyer irreparable harm for which monetary damages would not be an adequate remedy, and that Buyer shall be entitled to seek injunctive or other equitable relief (without the necessity of posting a bond or proving actual damages) in addition to any other remedy available at law. If any provision of this Article XI is held by a court or arbitrator to be unenforceable as drafted, such court or arbitrator shall reform such provision (including by reducing the duration, geographic scope, or scope of activity) to the maximum extent enforceable under applicable Law and shall enforce such provision as so reformed.

ARTICLE XII

SECURITIES ACT MATTERS; INVESTMENT REPRESENTATIONS

Each Seller, severally and not jointly, hereby represents, warrants, covenants, and acknowledges to Buyer, as of the Effective Date and as of the Closing Date, as follows:

Section 12.1 Investment Intent.

Such Seller is acquiring the Stock Consideration for such Seller's own account, for investment purposes only, and not with a view to, or for resale in connection with, any "distribution" thereof within the meaning of the Securities Act. Such Seller has no present intention of selling, granting any participation in, or otherwise distributing any of the Stock Consideration in violation of the Securities Act or any applicable state securities Law.

Section 12.2 Accredited Investor; Sophistication.

Such Seller (i) is an "accredited investor" within the meaning of Rule 501(a) of Regulation D promulgated under the Securities Act; (ii) has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of the investment in the Stock Consideration; (iii) is able to bear the economic risk of such investment, including a complete loss thereof; and (iv) has been afforded an opportunity to ask questions of, and receive answers from, Buyer's management concerning Buyer and the terms and conditions of the Stock Consideration, and has reviewed Buyer's SEC Reports.

Section 12.3 Restricted Securities.

Such Seller acknowledges and agrees that (i) the Stock Consideration constitutes "restricted securities" within the meaning of Rule 144 and has not been registered under the Securities Act or under any state securities Law in reliance upon exemptions from registration, (ii) the Stock Consideration may not be sold, transferred, pledged, hypothecated, or otherwise disposed of unless such transaction is registered under the Securities Act and applicable state securities Laws or is exempt from such registration requirements, and (iii) Buyer is under no obligation to register the Stock Consideration or to take any action to make any exemption from registration (including Rule 144) available with respect to the Stock Consideration.

Section 12.4 Legend.

Each book-entry position or certificate evidencing the Stock Consideration shall bear a legend substantially in the following form (in addition to any legend required by applicable state securities Law):

"THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY STATE SECURITIES LAW. THESE SECURITIES MAY NOT BE OFFERED, SOLD, PLEDGED, HYPOTHECATED, OR OTHERWISE TRANSFERRED ABSENT (I) AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS, OR (II) AN APPLICABLE EXEMPTION FROM SUCH REGISTRATION REQUIREMENTS. IN ADDITION, THESE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFER, INCLUDING A LOCK-UP PERIOD, SET FORTH IN A STOCK PURCHASE AGREEMENT DATED [●], 2026, A COPY OF WHICH MAY BE OBTAINED FROM THE ISSUER."

Section 12.5 Lock-Up.

Such Seller agrees to be bound by the Lock-Up Period restrictions set forth in Section 3.1(a) and acknowledges that such restrictions may be enforced through stop-transfer instructions to Buyer's transfer agent.

Section 12.6 Removal of Legend.

Buyer shall, at the request of any Seller and at Buyer's expense, cause its transfer agent to remove the restrictive legend set forth in Section 12.4 in connection with any sale or transfer of the Stock Consideration that is registered under the Securities Act or made in compliance with Rule 144 (or another available exemption from registration), upon receipt by Buyer of customary documentation reasonably required by the transfer agent and Buyer's counsel, which may include a customary representation letter and, if reasonably required, an opinion of counsel.

ARTICLE XIII

EARNOUT

Section 13.1 Earnout Calculation.

As additional consideration for the Shares, the Sellers shall be entitled to receive an aggregate Earnout, calculated as follows:

- (a) **Rate.** The Earnout shall be calculated at a rate of twenty-five (25) basis points (0.25%) on Funded Loan Volume during the Earnout Period.
- (b) **Cap.** The aggregate Earnout payable to the Sellers shall not exceed Seven Hundred Fifty Thousand Dollars (\$750,000) (i.e., the Earnout Cap).
- (c) **Earnout Period.** The Earnout shall be calculated and payable with respect to Funded Loan Volume during the Earnout Period only.
- (d) **Termination.** Buyer's obligation to pay further Earnout amounts shall terminate automatically on the earlier of (i) the date aggregate Earnout payments equal the Earnout Cap or (ii) expiration of the Earnout Period.
- (e) **Continued Transition Support.** The Sellers' entitlement to receive any Earnout payment is subject to the Sellers' continued and substantial compliance with their transition support, LO retention, and LO recruiting obligations under Article XIV and the Consulting Agreements.

Section 13.2 Reporting and Payment.

(a) Within thirty (30) days after the end of each calendar month during the Earnout Period, Buyer shall deliver to the Sellers a written report (the "Earnout Report") setting forth (i) the Funded Loan Volume for such month, (ii) a list of the Loan Officers whose loan production was included (distinguishing between Loan Officers employed at Closing and Loan Officers subsequently recruited by such existing team members), (iii) the Earnout amount earned for such month, and (iv) the aggregate Earnout earned and paid to date. (b) Buyer shall pay the Earnout amount shown on each Earnout Report (subject to the Earnout Cap and any setoff permitted under Section 9.5) concurrently with delivery of the Earnout Report, by wire transfer of immediately available funds, allocated as set forth on the Allocation Schedule.

Section 13.3 Audit Rights.

The Sellers may, at their own expense (except as provided below), audit Buyer's books and records relating to the calculation of Funded Loan Volume and the Earnout, no more than once per calendar year, upon ten (10) Business Days' prior written notice and during normal business hours. If any audit reveals an Earnout underpayment exceeding five percent (5%) for the period audited, Buyer shall (i) promptly pay the underpaid amount with interest at five percent (5%) per annum from the original due date and (ii) reimburse the Sellers for the reasonable out-of-pocket costs of the audit.

Section 13.4 Conduct During Earnout Period.

During the Earnout Period, Buyer shall (a) maintain books and records sufficient to permit calculation of the Earnout, (b) act in good faith and not take any action with the primary purpose of frustrating or reducing the Sellers' ability to earn the Earnout, and (c) not engage in any restructuring or transfer of the Business with the primary purpose of avoiding or reducing the Earnout. Buyer otherwise retains discretion to operate the Business as it deems appropriate (including employment, compensation, marketing, capital, and strategic decisions). The Sellers acknowledge there is no implied covenant to maximize Funded Loan Volume, and Buyer has no obligation to achieve any particular level of Funded Loan Volume.

Section 13.5 Acceleration Upon Change of Control.

If, during the Earnout Period, Buyer (i) consummates a transaction resulting in any Person or "group" (as defined in Section 13(d) of the Exchange Act), other than Buyer's controlling shareholder(s) as of the Closing Date, beneficially owning more than fifty percent (50%) of Buyer's outstanding voting securities, or (ii) sells all or substantially all of

the assets of the Company or the Business to an unaffiliated third party (each, an “Acceleration Event”), Buyer shall cause the successor or transferee to assume Buyer’s obligations under this Article XIII (and, where applicable, Article XIV) for the remainder of the Earnout Period. If the successor or transferee does not so assume in writing, the unpaid balance of the Earnout Cap (less aggregate Earnout previously paid) shall become immediately due and payable on the Acceleration Event.

Section 13.6 Nature of Earnout.

The right to receive any Earnout payment (i) is a contractual right to a contingent payment of Purchase Price, (ii) does not constitute an equity interest or security, and (iii) shall not bear interest (except as provided in Section 13.3). The right is not transferable other than by will or intestate succession, except with Buyer’s prior written consent.

ARTICLE XIV

POST-CLOSING OPERATIONAL COVENANTS

The Parties acknowledge that the Parties' intention with respect to the Acquisition is for Buyer to acquire (i) the Company's Loan Officer team and production capacity, (ii) the Company's mortgage lending Permits and licensing footprint (and the platform for expansion thereof), and (iii) access to working-capital financing through Warehouse Lines, in each case free of pre-existing Indebtedness and undisclosed liabilities. The covenants in this Article XIV are intended to give effect to that intention. The Parties shall cooperate in good faith to achieve the operational milestones set forth herein.

Section 14.1 Buyer Covenants — Loan Officer Retention and Compensation.

(a) Retention and Employment Agreements.

Within thirty (30) days following the Closing Date (or such longer period as the Parties may mutually agree, but in any event no later than ninety (90) days following the Closing Date), Buyer shall offer to each member of the Key Personnel and to each Loan Officer who continues to be employed by or engaged as an independent contractor of the Company at such time a retention agreement, employment agreement, or independent contractor agreement (each, a "Retention Agreement") on terms reasonably designed to incentivize continued employment or engagement during, at minimum, the Transition Period. The Sellers shall reasonably cooperate in the design and implementation of the Retention Agreements.

(b) Competitive Compensation Structure.

During the Transition Period, Buyer shall maintain (or cause the Company to maintain) a compensation structure for the Loan Officer team that, taken as a whole, is reasonably competitive with prevailing market practice for similarly situated mortgage origination businesses and is no less favorable in the aggregate than the compensation structure in effect immediately prior to the Closing, except for changes (i) reasonably required by Law (including by federal or state mortgage compensation rules), (ii) made in response to material changes in market conditions, or (iii) otherwise mutually agreed by Buyer and the Sellers in good faith.

(c) Continued Employment of Key Personnel.

During the Transition Period, Buyer shall not terminate the employment or engagement of any member of the Key Personnel other than for Cause (as defined in such individual's applicable employment, engagement, or Retention Agreement) or for documented performance, regulatory, or compliance reasons. Nothing in this Section 14.1(c) shall limit any individual's right to terminate his or her own employment or engagement.

Section 14.2 Buyer Covenants — Warehouse Line Capacity.

Buyer shall use its commercially reasonable efforts to cause the Company (or, as applicable, its Affiliated business unit operating the Business) to establish, by the second (2nd) anniversary of the Closing Date, aggregate Warehouse Line capacity of at least the Target Warehouse Capacity (i.e., \$50,000,000), through one or more Warehouse Line agreements with creditworthy warehouse lenders. Buyer shall keep the Sellers reasonably informed of progress toward the Target Warehouse Capacity, and the Sellers shall reasonably cooperate in introductions to warehouse lenders, the preparation of due diligence materials, and the negotiation of warehouse facilities.

Section 14.3 Buyer Covenants — State Licensing Expansion.

(a) Expansion Plan.

Following the Closing, Buyer shall use its commercially reasonable efforts to cause the Company (or, as applicable, its Affiliated business unit operating the Business) to obtain, expand, and maintain mortgage lender, mortgage broker, mortgage banker, and/or mortgage loan originator licenses and authorizations (collectively, "State Licenses") in the Target States (i.e., no fewer than forty (40) U.S. states), with the goal of achieving such licensing footprint within the Transition Period.

(b) Buyer to Bear Licensing Costs.

All application fees, regulatory fees, surety bond premiums, NMLS fees, examination fees, attorneys' fees and other legal costs, and other out-of-pocket costs and expenses incurred in connection with the application for,

obtaining, maintenance of, and renewal of the State Licenses (including any State Licenses obtained in connection with the expansion to the Target States) shall be borne exclusively by Buyer.

Section 14.4 Seller Covenants — Transition Support, LO Retention, and Recruiting.

During the Transition Period, the Sellers (and each of Jun Choi and Richard Tak personally), in addition to the obligations set forth in their respective Consulting Agreements, shall:

- (a) use their commercially reasonable efforts to retain the Loan Officers and Key Personnel employed by or engaged as independent contractors of the Company, including by participating in retention discussions, communicating the strategic plan, and addressing concerns of such individuals;
- (b) use their commercially reasonable efforts to recruit additional licensed Loan Officers to the Company, with the shared goal of achieving the Target LO Count (i.e., fifty (50) active Loan Officers) within the Transition Period;
- (c) actively assist Buyer in the application for, and obtaining of, State Licenses in the Target States, including by signing officer applications and disclosures (in such Sellers' capacity as principals or control persons, as required), responding to regulator inquiries, and providing such information and certifications as may reasonably be required by state mortgage regulators;
- (d) actively assist Buyer in obtaining and expanding Warehouse Line capacity (with the shared goal of achieving the Target Warehouse Capacity) by leveraging the Sellers' existing relationships with warehouse lenders and providing such introductions and assistance as may reasonably be requested by Buyer;
- (e) support the integration of the Business into Buyer's operations and the expansion of lending operations into new markets, including by providing operational know-how, customer-relationship transfers, training, and onboarding support; and
- (f) cooperate with Buyer in connection with all regulatory, licensing, and compliance matters affecting the Business.

Section 14.5 Operational Targets — Nature: No Specific Performance.

The operational targets in this Article XIV (including the Target Warehouse Capacity, the Target States, and the Target LO Count) are aspirational benchmarks reflecting the Parties' shared intent. Failure to achieve any target shall not by itself constitute a breach giving rise to monetary liability, provided each Party has used the level of efforts required under the applicable Section. However, the Sellers' entitlement to the Earnout remains subject to the Sellers' continued compliance with Section 14.4, and any willful and material failure by the Sellers to perform their Section 14.4 obligations may, at Buyer's election, constitute a basis for suspending further Earnout accrual under Section 13.1(e).

Section 14.6 Reporting and Cooperation.

During the Transition Period, the Parties shall conduct a quarterly review meeting (in person, by videoconference, or by such other means as the Parties may agree) to discuss progress toward the operational targets set forth in this Article XIV, the status of Loan Officer retention and recruiting, the status of State License applications, and the status of Warehouse Line negotiations. Buyer shall provide the Sellers with reasonable visibility into the foregoing matters, and the Sellers shall provide Buyer with such information and assistance as may reasonably be requested in connection with the foregoing.

ARTICLE XV

TAX MATTERS

Section 15.1 Tax Returns; Cooperation.

(a) The Sellers shall cause the Company to prepare and timely file all Tax Returns of the Company for taxable periods ending on or before the Closing Date that are due (taking into account valid extensions) on or before the Closing Date. Buyer shall prepare and file all other Tax Returns of the Company. (b) Tax Returns for any Pre-Closing Tax Period or Straddle Period filed by Buyer shall be prepared consistent with the Company's past practice, except as otherwise required by Law. (c) The Parties shall reasonably cooperate on the filing of Tax Returns and any audit, examination, or proceeding.

Section 15.2 Transfer Taxes.

Any transfer, sales, use, stamp, documentary, recording, or similar Taxes (other than income or franchise Taxes) imposed in connection with the Acquisition (collectively, "Transfer Taxes") shall be borne 50% by Buyer and 50% by the Sellers. The Party required by Law to file a Tax Return for any Transfer Tax shall do so timely, with the other Party's cooperation.

Section 15.3 Straddle Period.

For any taxable period beginning on or before and ending after the Closing Date (a "Straddle Period"), Taxes allocable to the portion ending on the Closing Date shall be (i) for property and similar Taxes, the Straddle Period amount multiplied by a fraction (numerator: days through the Closing Date; denominator: total days), and (ii) for all other Taxes, determined as if the period ended on the Closing Date based on a closing of the Company's books.

Section 15.4 Section 338(h)(10) / 336(e) Election.

If, after the Closing, Buyer requests that the Sellers join in a Section 338(h)(10) or 336(e) election (or any analogous state or local election), the Sellers shall reasonably consider the request in good faith. The Sellers are not obligated to join unless Buyer agrees to compensate them, on a gross-up basis, for any incremental Tax cost (relative to a non-election sale), in an amount mutually agreed in good faith.

ARTICLE XVI

GENERAL PROVISIONS

Section 16.1 Notices.

All notices under this Agreement shall be in writing and deemed given (i) on personal delivery, (ii) on confirmed email transmission, (iii) one (1) Business Day after dispatch by reputable overnight courier, or (iv) three (3) Business Days after deposit in U.S. certified mail, return receipt requested, in each case to the addresses on Schedule 16.1 (or such other address as a Party may designate by written notice).

Section 16.2 Governing Law.

This Agreement shall be governed by the laws of the State of California, without regard to its conflict-of-laws principles.

Section 16.3 Dispute Resolution; Arbitration.

(a) Except as provided in subsection (c), any dispute arising out of or relating to this Agreement shall be resolved by binding arbitration in Los Angeles, California, before a single arbitrator administered by the American Arbitration Association under its Commercial Arbitration Rules. The arbitrator shall apply California substantive law. Judgment on the award may be entered in any court of competent jurisdiction. The Parties shall share equally the AAA and arbitrator fees, with each Party bearing its own attorneys' fees, except that the arbitrator may award attorneys' fees to the prevailing party. (b) The arbitration shall be confidential, except as required by Law. (c) Either Party may seek injunctive relief in any court of competent jurisdiction to enforce Article XI (Restrictive Covenants) or to preserve the status quo pending arbitration.

Section 16.4 Waiver of Jury Trial.

To the fullest extent permitted by Law, each Party irrevocably waives any right to a jury trial in any litigation arising out of this Agreement.

Section 16.5 Assignment.

No Party may assign this Agreement without the prior written consent of the other Parties; provided, that Buyer may assign its rights (but not its obligations) to (i) a wholly-owned Affiliate of Buyer or (ii) a successor by merger, consolidation, or sale of all or substantially all of its assets, without the Sellers' consent. No assignment relieves Buyer of its obligations.

Section 16.6 No Third-Party Beneficiaries.

Except for the Buyer Indemnified Parties (with respect to Article IX), this Agreement is solely for the benefit of the Parties and their permitted assigns.

Section 16.7 Entire Agreement.

This Agreement (including the Disclosure Schedule, Schedules, and Exhibits), together with the Ancillary Agreements, constitutes the entire agreement of the Parties on its subject matter, and supersedes all prior understandings, including the MOU (except provisions that by their terms survive).

Section 16.8 Amendment; Waiver.

This Agreement may be amended only by a written instrument signed by each Party. No waiver shall be effective unless in writing and signed by the waiving Party. No failure or delay in exercising any right shall operate as a waiver.

Section 16.9 Severability.

If any provision is held invalid or unenforceable, the remaining provisions shall remain in effect, and the Parties shall negotiate in good faith to replace the invalid provision with an enforceable one giving effect to their original intent.

Section 16.10 Counterparts; Electronic Signatures.

This Agreement may be executed in counterparts, each of which is an original and which together constitute one instrument. Counterparts delivered by email (including .pdf or any signature compliant with the ESIGN Act) shall be valid and binding.

Section 16.11 Expenses.

Except as expressly provided otherwise, each Party shall bear its own costs and expenses incurred in connection with this Agreement and the Acquisition.

Section 16.12 Specific Performance.

The Parties acknowledge that monetary damages would not be a sufficient remedy for any breach. In addition to any other remedy, the non-breaching Party may seek specific performance and other equitable relief without posting a bond or proving actual damages.

Section 16.13 Construction.

The Parties have participated jointly in drafting this Agreement, and no presumption shall arise favoring or disfavoring any Party based on authorship.

Section 16.14 Schedules and Exhibits.

The Schedules and Exhibits are incorporated by reference. Any matter disclosed in one section of the Disclosure Schedule is deemed disclosed in any other section to which its relevance is reasonably apparent on its face.
